**Hello!** I am an industrial/automotive detail designer also the Co-founder at **Opacity & Co.**

Design is how we observe & experience life around us. For me it is an artistic way to put form with technicality in the process of designing a product that seamlessly brings quality and meaning in peoples' lives.

## EXPERIENCE//

### Faurecia

INTERIOR & EXTERIOR DESIGN INTERN  
PUNE, INDIA | 6 MONTHS | 2017

Lead concept/product design manager of overall design, innovation and strategy for brand marketing. Specialized in detail design photoshop renderings & presenting it to other senior management for design approvals.

### Mahindra

AUTOMOTIVE DESIGN INTERN  
MUMBAI, INDIA | 4 MONTHS | 2015

Role of an aesthetic exterior designer, concept scenario generator. Provided free hand quick component idea sketches, 3D modeling, and detailed product renderings.

### Freelance

AUTOMOTIVE DESIGN/INDUSTRIAL DESIGN  
| 2018-2020

"Cockpit of the future" space interior design for automotive interior manufacturer Faurecia. Provided detail photoshop renderings, hand sketches and development of design language as core demand (2018-2019).

Starting from blank page developed UI/UX layout of a car rental application. Provided market research, consumer study, branding, wireframe and interface comparisons.

Been part of multiple detail design teams across the globe to develop products from scratch. Assigned responsibilities including product design, automotive design, CAD modeling, visualization, branding, product decals and art direction (2019-2020).

## EDUCATION//

### ISD Rubika

TRANSPORTATION DESIGN MASTERS  
PUNE, INDIA | 5 YEARS | 2012 - 2017

Graduated with highest distinction in Master of Transportation Design from ISD Rubika (Institut Superieur de Design). Been fortunate to collaborate with multi-disciplinary teams and a variety of automotive companies and designers.

### St. Paul's HS

SENIOR SECONDARY  
BANSWARA, INDIA | 2008 - 2010

Multicultural school where I've been a part of Basketball and Handball State Level senior championships with science, mathematics and entrepreneurship as my major.

## SKILLS//

ILLUSTRATOR	PHOTOSHOP
PREMIER PRO	INDESIGN
KEYSHOT	FUSION 360
SUBSTANCE	VRED

## HOBBIES//

I love fitness in all forms. I've grown up around forests and lakes and love to explore wilderness hence I share my romance with offroading. In my free time I explore 3D rendering softwares and expand my practice in digital painting.
